

# Frankfurt

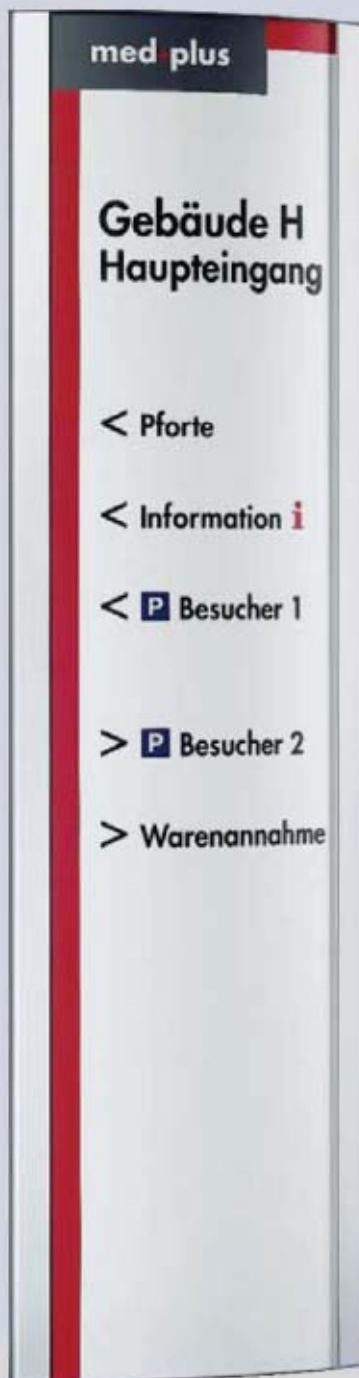

*Versatile and rigorous → With its convex shape the FRANKFURT is an attractive solution in all its variations. From the doorplate to the stands, the design concept is rigorously coherent throughout. The slim frame in silver-anodized aluminum profiles underlines the unified appearance. Thanks to its simple lines and curved form, this sign system is instantly recognizable anywhere.*

- aluminium
- curved shaped
- paperflex system

# Frankfurt

Außenaufsteller  
exterior freestanding sign

Innenaufsteller  
indoor freestanding sign

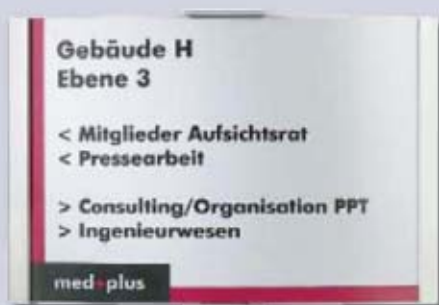

And the FRANKFURT series of products also allows text to be changed with ease simply by exchanging the paper inlays.
