BannerUp "Black Line" model

Only the  
best is good  
enough!

*Sure you can spend less money on other retractable banner stands, generally getting what you are paying for. But you will never get better "value-for-money" (with respect to function, quality, endurance and design) than the Mark Bric BannerUp.*

*The BannerUp programme is now expanding and also includes a "Black Line" model. The cassette has a sophisticated black semi-matte finish and gives a very elegant impression. The surface is highly scratch-proof as well. Ideal for hotels, reception areas, high-class shops etc., and gives further possibilities to match perfectly the graphics.*

The Black Line model comes in 88 cm width / height 212 cm.
