

# Orlando

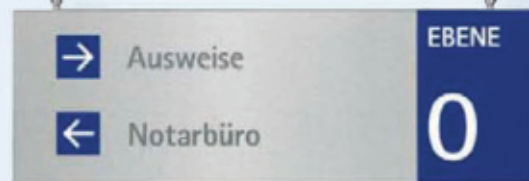

*High quality and elegant → From the doorplate to the outdoor stand – all the elements in the ORLANDO system feature the slightly curved front panel. Be it floor-based or main information panels, indoor stands or ceiling-mounted panels: ORLANDO is always an elegant and highly prestigious eye-catcher. An ingenious door mechanism allows the information to be replaced quickly and easily whenever updated.*

# Rio

- stainless steel
- "frameless" design
- premium quality
- paperflex system
